

Back Lead Position

Samaritan Shop – Rogers (2115 W. Walnut St.)

Who we are:

We are a grace-driven nonprofit that serves the hurting and hungry of Northwest Arkansas with dignity and compassion. Over the last 19 years, our organization has grown to include multiple feeding and health programs at locations in Rogers and Springdale.

Samaritan Shop:

The Samaritan Shop is an outreach of the Samaritan Community Center that is open to the public and sells gently used clothing, household items, and furniture that has been donated. The proceeds from these sales will go to fund our feeding programs at the Samaritan Community Center helping those in need in NWA. The shop also helps our clients by providing free clothes and house items through vouchers given through the SCC Market, staff social workers, and various other nonprofit area partner agencies.

In 2021, the Samaritan Shop distributed free clothing vouchers, household goods, and furniture to our clients in need valued at \$21,482.

Back Lead Position:

This position directly supervises and coordinates the intake, sorting, and processing employees as well as the process/flow of the back area of the store. The Back Lead will be responsible for supervisory duties including scheduling, coaching, mentoring, and evaluating reporting employees. They will assist the store manager with things such as sales strategizing, goods processing/sorting/pricing process and efficiency, backend warehouse layout, storage processes, etc. The Back Lead will assist donors in the intake area, donation pick-ups with the driver, and fill in as driver when needed.
