

Registered Dental Hygienist

Samaritan Community Center – Rogers (1211 W. Hudson Rd.)

Who we are:

We are a grace-driven nonprofit that serves the hurting and hungry of Northwest Arkansas with dignity and compassion. Over the last 19 years, our organization has grown to include multiple feeding and health programs at locations in Rogers and Springdale.

Dental Program:

We are the only full-service charitable dental clinic in Northwest Arkansas serving uninsured adults who cannot afford dental care services. Our dental clinic located in Rogers utilizes both volunteer and staff dentists and hygienists to provide a full range of dental services to our patients including restorative care, preventative care, and denture assistance.

Job Description:

The Hygienist position is a Full-Time, 30 hours a week position. This role will work directly with our clients by cleaning their teeth, examining oral areas, head, and neck for signs of oral disease, taking and developing x-rays, and applying fluoride or sealants. It's important that this person can make our clients feel welcome and comfortable during their dental journey at Samaritan, and can compassionately educate the patient on oral hygiene throughout treatment in a caring and loving manner.

Qualifications:

Registered dental hygienist with 2+ years of experience

Certification for administering Anesthesia

Certification for administering X-Rays

CPR Certified

2+ years experience with Dentrax software preferred

Vaccinated for HepB
